ABOUT US

Since 2020, **Makki-M Al Abdi Contracting Company** has established itself as a leading general contracting company in the region. We offer a comprehensive range of services, including general contracting, design-build, and construction management, to cater to all your construction needs.

Our team of highly skilled and experienced professionals is dedicated to exceeding your expectations. We are passionate about bringing your vision to life, utilizing innovative and sustainable solutions to deliver high-quality projects on time and within budget.

Vision

To be a leading innovator in the construction industry, recognized for our commitment to exceptional craftsmanship, sustainable practices, and exceeding client expectations.

Mission

To deliver exceptional construction projects with a commitment to quality, client satisfaction, innovation, and environmental responsibility

Equipment Rental

At **Makki-M Al Abadi Contracting Company**, we're dedicated to providing comprehensive construction solutions. Our core services encompass general contracting, design-build, and construction management, but we understand the importance of having the right equipment for the job. That's why we offer a well-maintained fleet of high-quality construction equipment for rent. From excavators and concrete tools to lifting equipment and power tools, we can help you tackle any project efficiently and cost-effectively.
